14. Executive Secretary
CS Historical Board
212 [Redacted] Bldg. 3 JAN 1969 16 Jan [Signature]

It should be noted when considering the figures in the attachment that the number of "Scheduled Histories" is impossible to determine with complete accuracy because until a writer is actually at work on a subject, one cannot tell whether some subjects will be combined in one paper or whether some may be split into two or more. Nevertheless, this listing does reflect the exact number of papers in process and completed.
